UNVEIL THE EXTRAORDINARY

KRISMAR®

In 2004, Krismar laid down the foundation stone in Sarjapur Road, Bengaluru. Born of experience, and fuelled by the passion of a local Son. While our roots are firmly etched in Karnataka, our shine spreads to the world, thanks to our quality and trust. We transcend the realm of precious stones and premium marble, adorning not just homes but also commercial marvels.

Our name isn't the only one in the domain, but our approach sets us apart. Just like our stones, we shine differently, and so do our clients. The timeless beauty of ancient sculptures and architectural marvels, their sheer passion, and unwavering detailed attention that breathe life into these creations serve as our inspiration.

This drives us to channel our skills, expertise, and experience into crafting exquisite luxury stones that epitomize perfection. These stones will adorn a myriad of spaces, from homes and offices to museums, art galleries, hotels, and government offices.

Our distinct imprint extends beyond our stones and designs. It permeates every facet of our communication and conduct. It's not just the beauty that meets the eye, but the quality that stands by.

With each project we undertake, our clients not only find satisfaction but also a newfound sense of pride. It's not just about the exceptional work we deliver; but the trust of making our clients shine in their own light.

SHINE
DIFFERENTLY

Leading the Way, Shining Uniquely

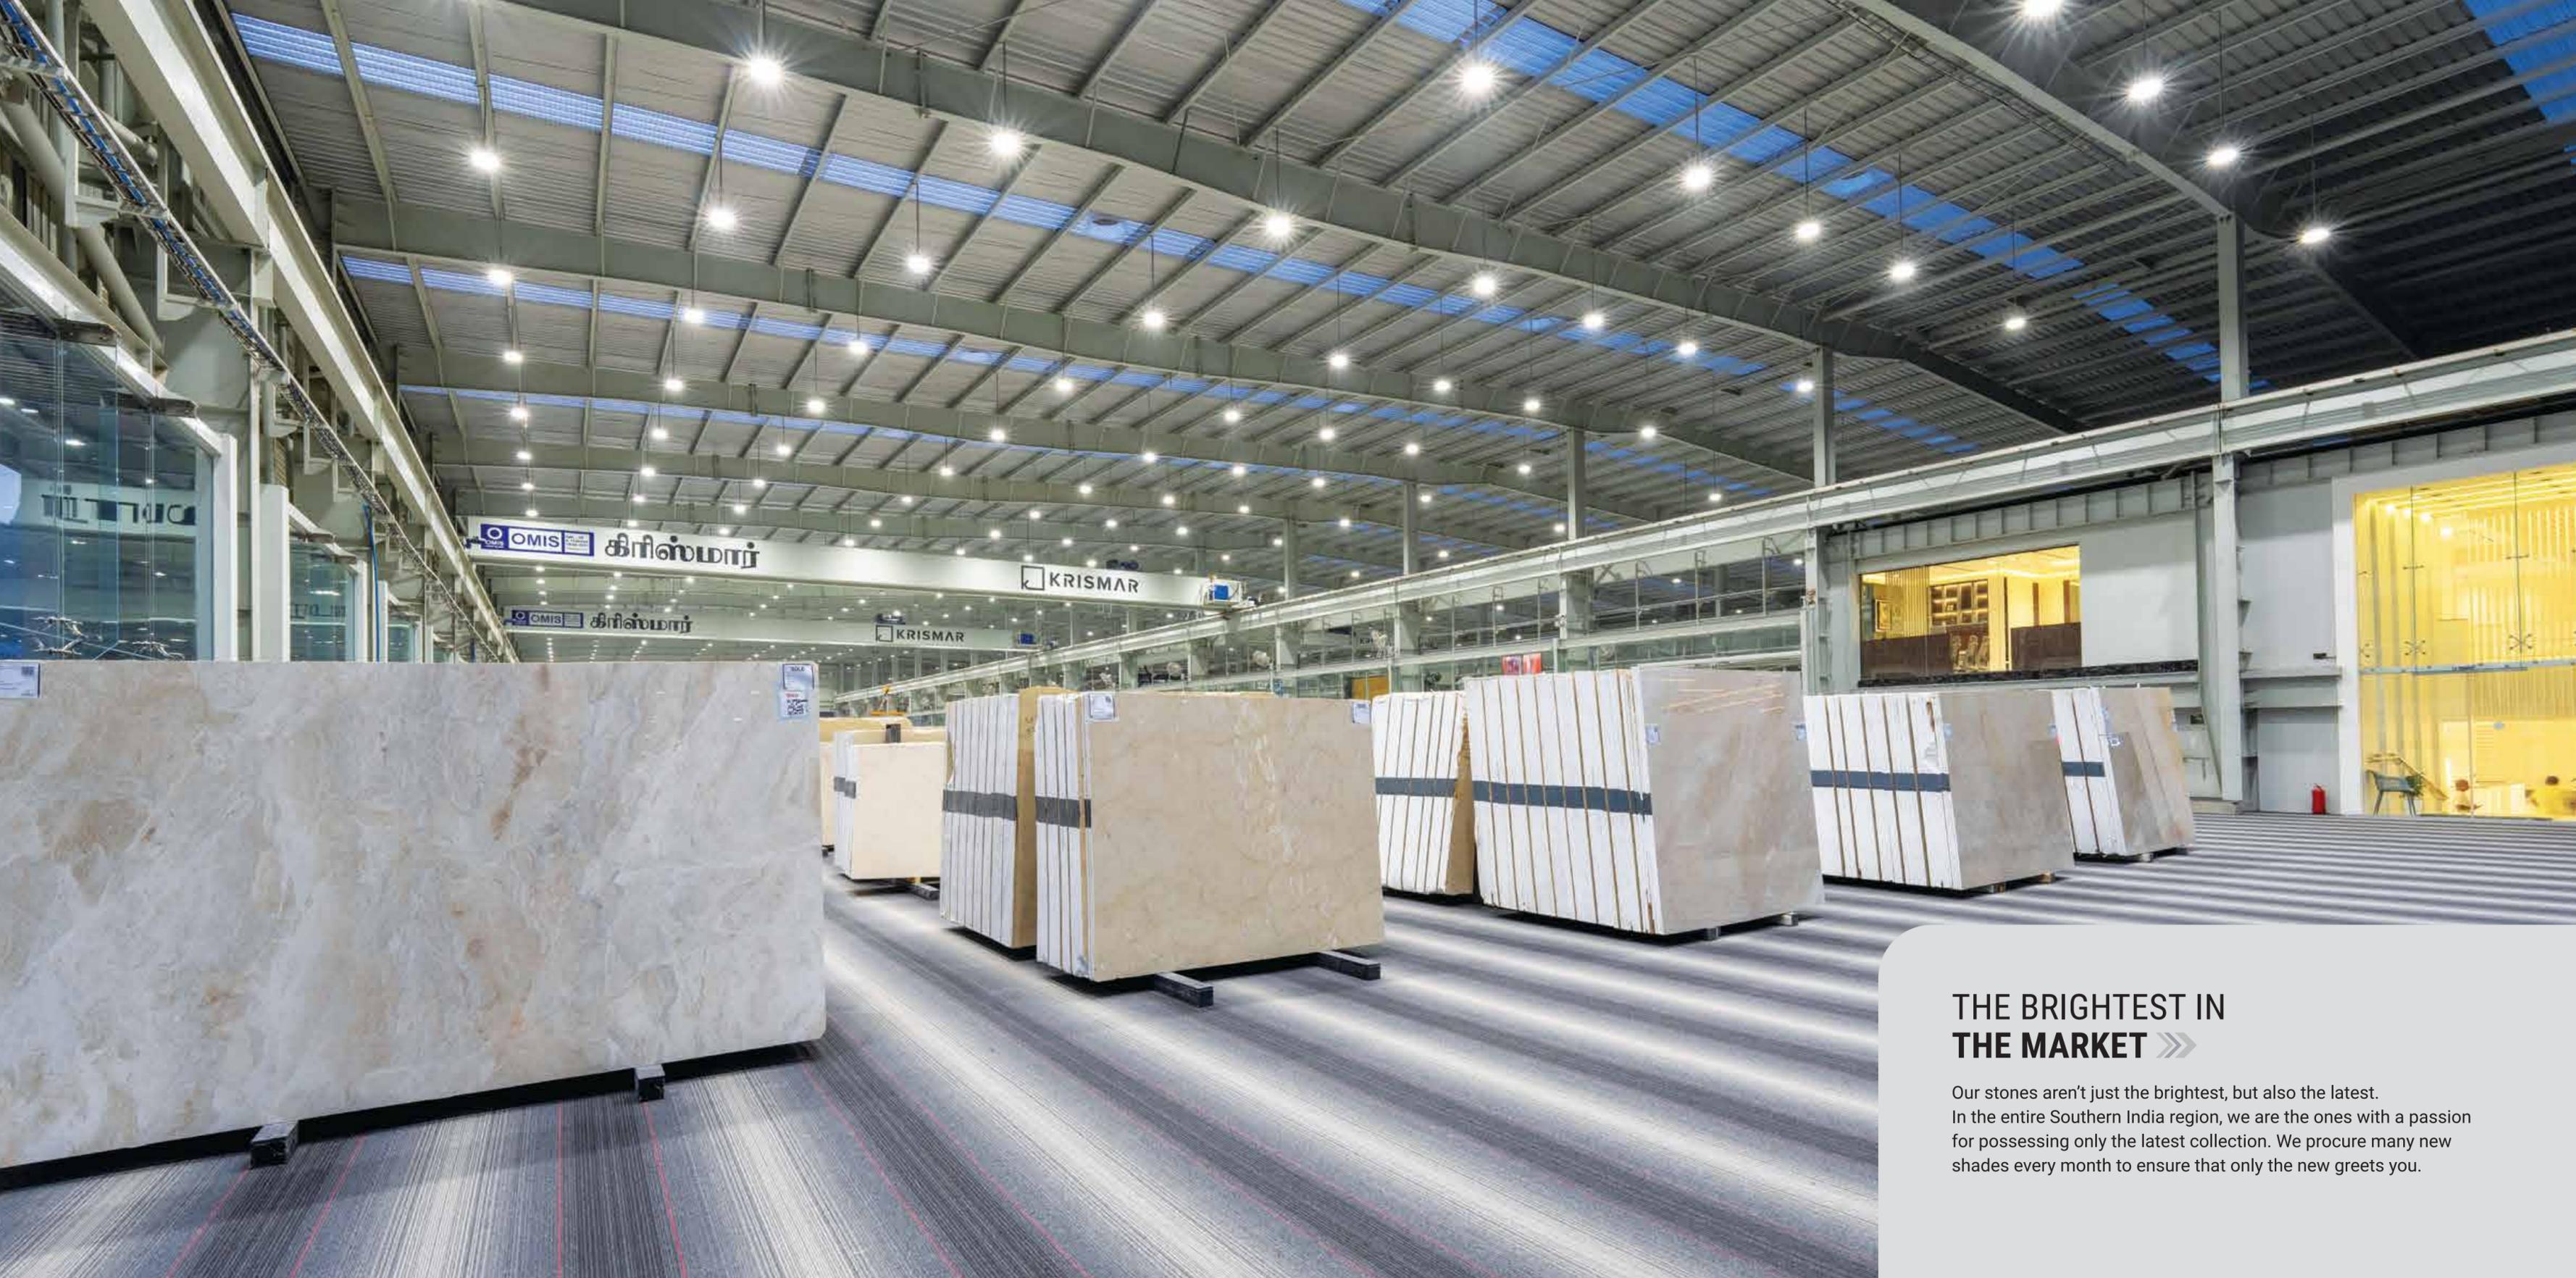

VISION »»

We envision and commit to making Krismar, a highly reliable and respected brand at national and international levels. Professionalism with integrity, concern for the growth of employees, and responsibility to society will drive the growth and future.

MISSION »»

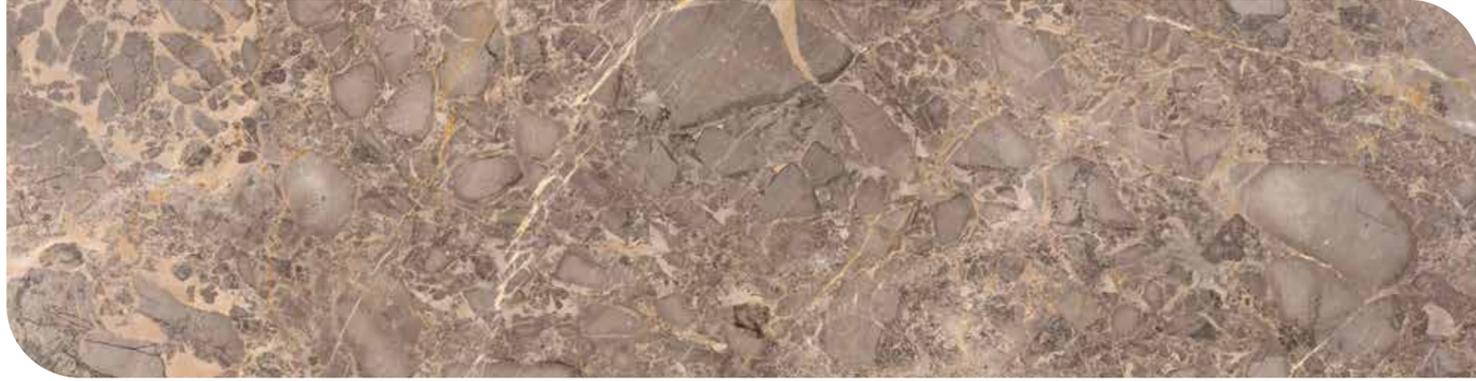

Meet the dreams and demands of the customers for right stone solutions, by sourcing and supplying quality natural stones at most reasonable price, through improved infrastructure, dedicated personnel, and ethical business practices, leading to Customer Delight.

THE BRIGHTEST IN THE MARKET »»

Our stones aren't just the brightest, but also the latest. In the entire Southern India region, we are the ones with a passion for possessing only the latest collection. We procure many new shades every month to ensure that only the new greets you.

ITALIAN MARBLE

Radiate Uniqueness

Italian marble, the epitome of home décor, elevates spaces. At Krismar, our extensive collection stands out globally. Quality that graces landmarks like Burj Khalifa, Dubai Mall, Ritz Carlton, and more.

GRANITE

A Timeless Elegance

The oldest and strongest that shines with luxury and elegance. Covering the entire map of Indian mines, we bring granites of 100 colors and designs. We do the same internationally for over 20 varieties. Indian granite for budget projects, and imported for selective excellence.☒

ONYX

Beauty Beyond Limits

Onyx, the exotic gem, graces interiors and architecture. With 40 varieties, we redefine its usage, pioneering onyx flooring, and setting trends. Using Onyx for flooring was an innovation that made our customers shine differently and is now trending globally.

QUARTZ

Engineered Brilliance

Quartz reflects versatility and shines exquisitely. offers a kaleidoscope of colors, shapes, and sizes, turning any space into a canvas for beautiful styling moments. Primarily adorning kitchen tops and countertops, quartz outshines conventional granite with its exceptional durability. At Krismar, we boast a diverse palette of 40 designs and colors, spanning plains, marble-inspired collections & innovative patterns.

TRAVERTINE

Unique and Pristine

Travertine, a natural wonder akin to limestone, has graced architecture for centuries. Its spectrum of colors, from subtle greys to rich gold, offers endless possibilities. This versatile stone finds its place in external cladding, fireplace surrounds, and both indoor and outdoor flooring. At Krismar, our travertine collection is a testament to its timeless beauty. We go beyond stone; we provide innovative ideas tailored to your specific needs. Elevate your space with travertine and let your uniqueness shine through.

LIMESTONE

Enduring Excellence

Uncover the enduring excellence of limestone at Krismar. Renowned for minimal impurities, consistent texture, and color, our limestone collection epitomizes quality. Exhibiting excellent hardness and resistance to weathering, our limestone is the ideal choice for those seeking sophistication and longevity in their spaces.

SEMI-PRECIOUS STONES

Elevate Interiors For A Feel That's Superior

Beyond the realm of celebrated stones lies a realm of premium elegance. These semi-precious stones grace interiors as enchanting highlighters, feature walls, and backdrops, adding an extra layer of charm to any space. Only a select few dealers possess these gems. At Krismar, we proudly stock a diverse range of 30 designs and colors, providing our clients with an extensive palette for their selection.

OTHER STONES

Exploring the Uncharted

Krismar knows no bounds when it comes to stones. If a client desires a specific stone, such as limestone, sandstone, porcelain, slate, or quartzite, we gladly embark on a sourcing mission. In our quest to shine differently, there's no stone in the world beyond our reach, ensuring that your vision becomes a reality.

WE KEEP AN EYE FOR EVERY SHINE »»

At Krismar, we are the architects of a vast tapestry, curating approximately 500 varieties of natural and engineered stones and tiles. Our treasure trove includes Marble, Limestone, Travertine, Onyx, Slate, Imported Granite, Indian Granite, Sandstone, Quartz, Quartzite, porcelain, and other Semi-precious Stones. It's an exhaustive collection that empowers your creative vision.

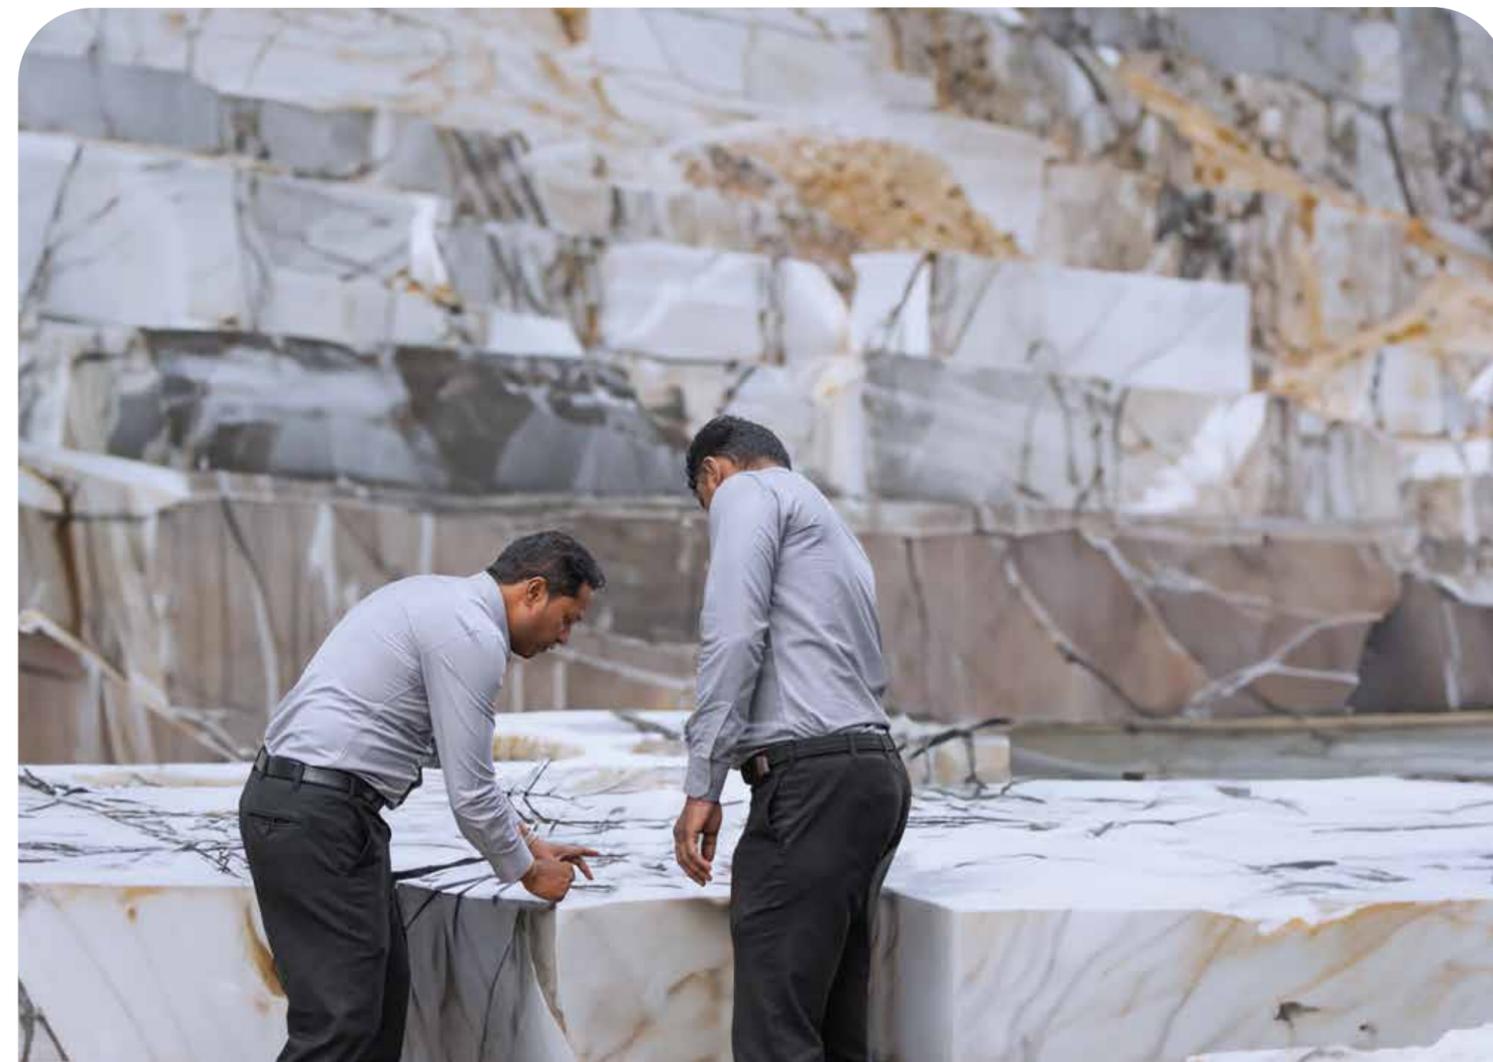

These natural wonders hail from over 36 countries, spanning Italy, Turkey, Brazil, Greece, France, China, Vietnam, Oman, Iran, and beyond.

We aren't content with merely obtaining stones. Everything we possess should be an icon of quality. So, we source raw materials directly from quarries, eliminating middlemen and agents. Our expert sourcing team, led by our dedicated Managing Director, Vinay Babu, meticulously handpicks the finest blocks. These blocks undergo rigorous quality audits until they reach our yard, ensuring that every stone slab meets our benchmarked quality standards.

We take the extra step, to keep you a step ahead. For the trust to remain in our name.

Our pursuit of excellence knows no bounds. Even 50 degrees In Iran, -32 degrees in Turkey, etc. Couldn't prevent Vinay Babu's ventures into mines and quarries to procure the most exquisite stones for our clients. The unwavering dedication, to go the distance for rare and precious stones. It's this unparalleled passion that sets us apart, shining in the world of stone sourcing.

EXPERIENCE CENTRE SARJAPUR

FROM BLOCKS TO DREAMS »»

Our stronghold lies in the vibrant city of Bengaluru. Our registered office, a beacon of excellence, resides in Sarjapur, Dommasandra, while our marble boutique in Jigani stands proudly at the marble hub of South India. Moreover, we boast a remarkable marble factory nestled in Shoogiri, a factory dedicated to meeting your cut-to-size and customized needs.

Upon amalgamating these facilities, they span a sprawling 5,00,000 square feet. Plus with ready blocks in stock, the quantity of ready inventory of marble soars to a remarkable 30,00,000 square feet. These expansive resources empower us to cater to demands not only across the nation but also on a global scale.

JIGANI SHOWROOM

SHOOLGIRI

The New Experience Paradigm »»

At Krismar, we endeavour to deliver not just remarkable stones but an entire experience. Explore the first-of-its-kind display in India at Krismar's Eco-Friendly Experience Centre. The centre showcases book-matched slab displays on floors and walls, under both day and night lights to give customers a complete look and insight. Our world-class display facilities are designed for easy understanding and a unique customer experience.

Much like a museum, our beautifully curated Italian marble and stones await exploration. Knowledgeable representatives stand by to offer guidance and answer queries.

Our exceptional product services and quality, paired with such contemporary facilities, are what drive our excellent customer reviews. These happy customer voices, echoes of our commitment to excellence.

Mr. Vinay Babu
Founder and Managing Director

THE PERSONALITY WITH THE POLISH TO SHINE DIFFERENTLY »»

Krismar's founder and Managing Director, Mr. Vinay Babu, is the beacon of our brilliance. His vast expertise, extensive experience, and exceptional communication skills pave the path forward.

Being an MBA with distinction, He strives for nothing but perfection. Each and every stone reflects this passion. His global travels to study and source stones have honed his mastery of this art and science.

With his dedicated core team, He personally attends to clients, comprehending their unique needs. Together, they craft the finest solutions for homes and offices, enabling clients to shine distinctively.

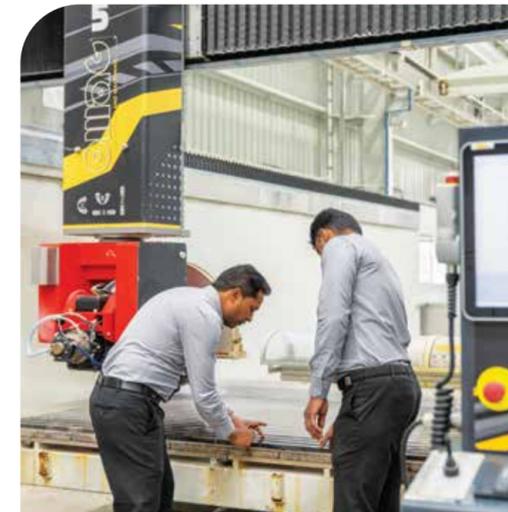

THE PINNACLE TEAM

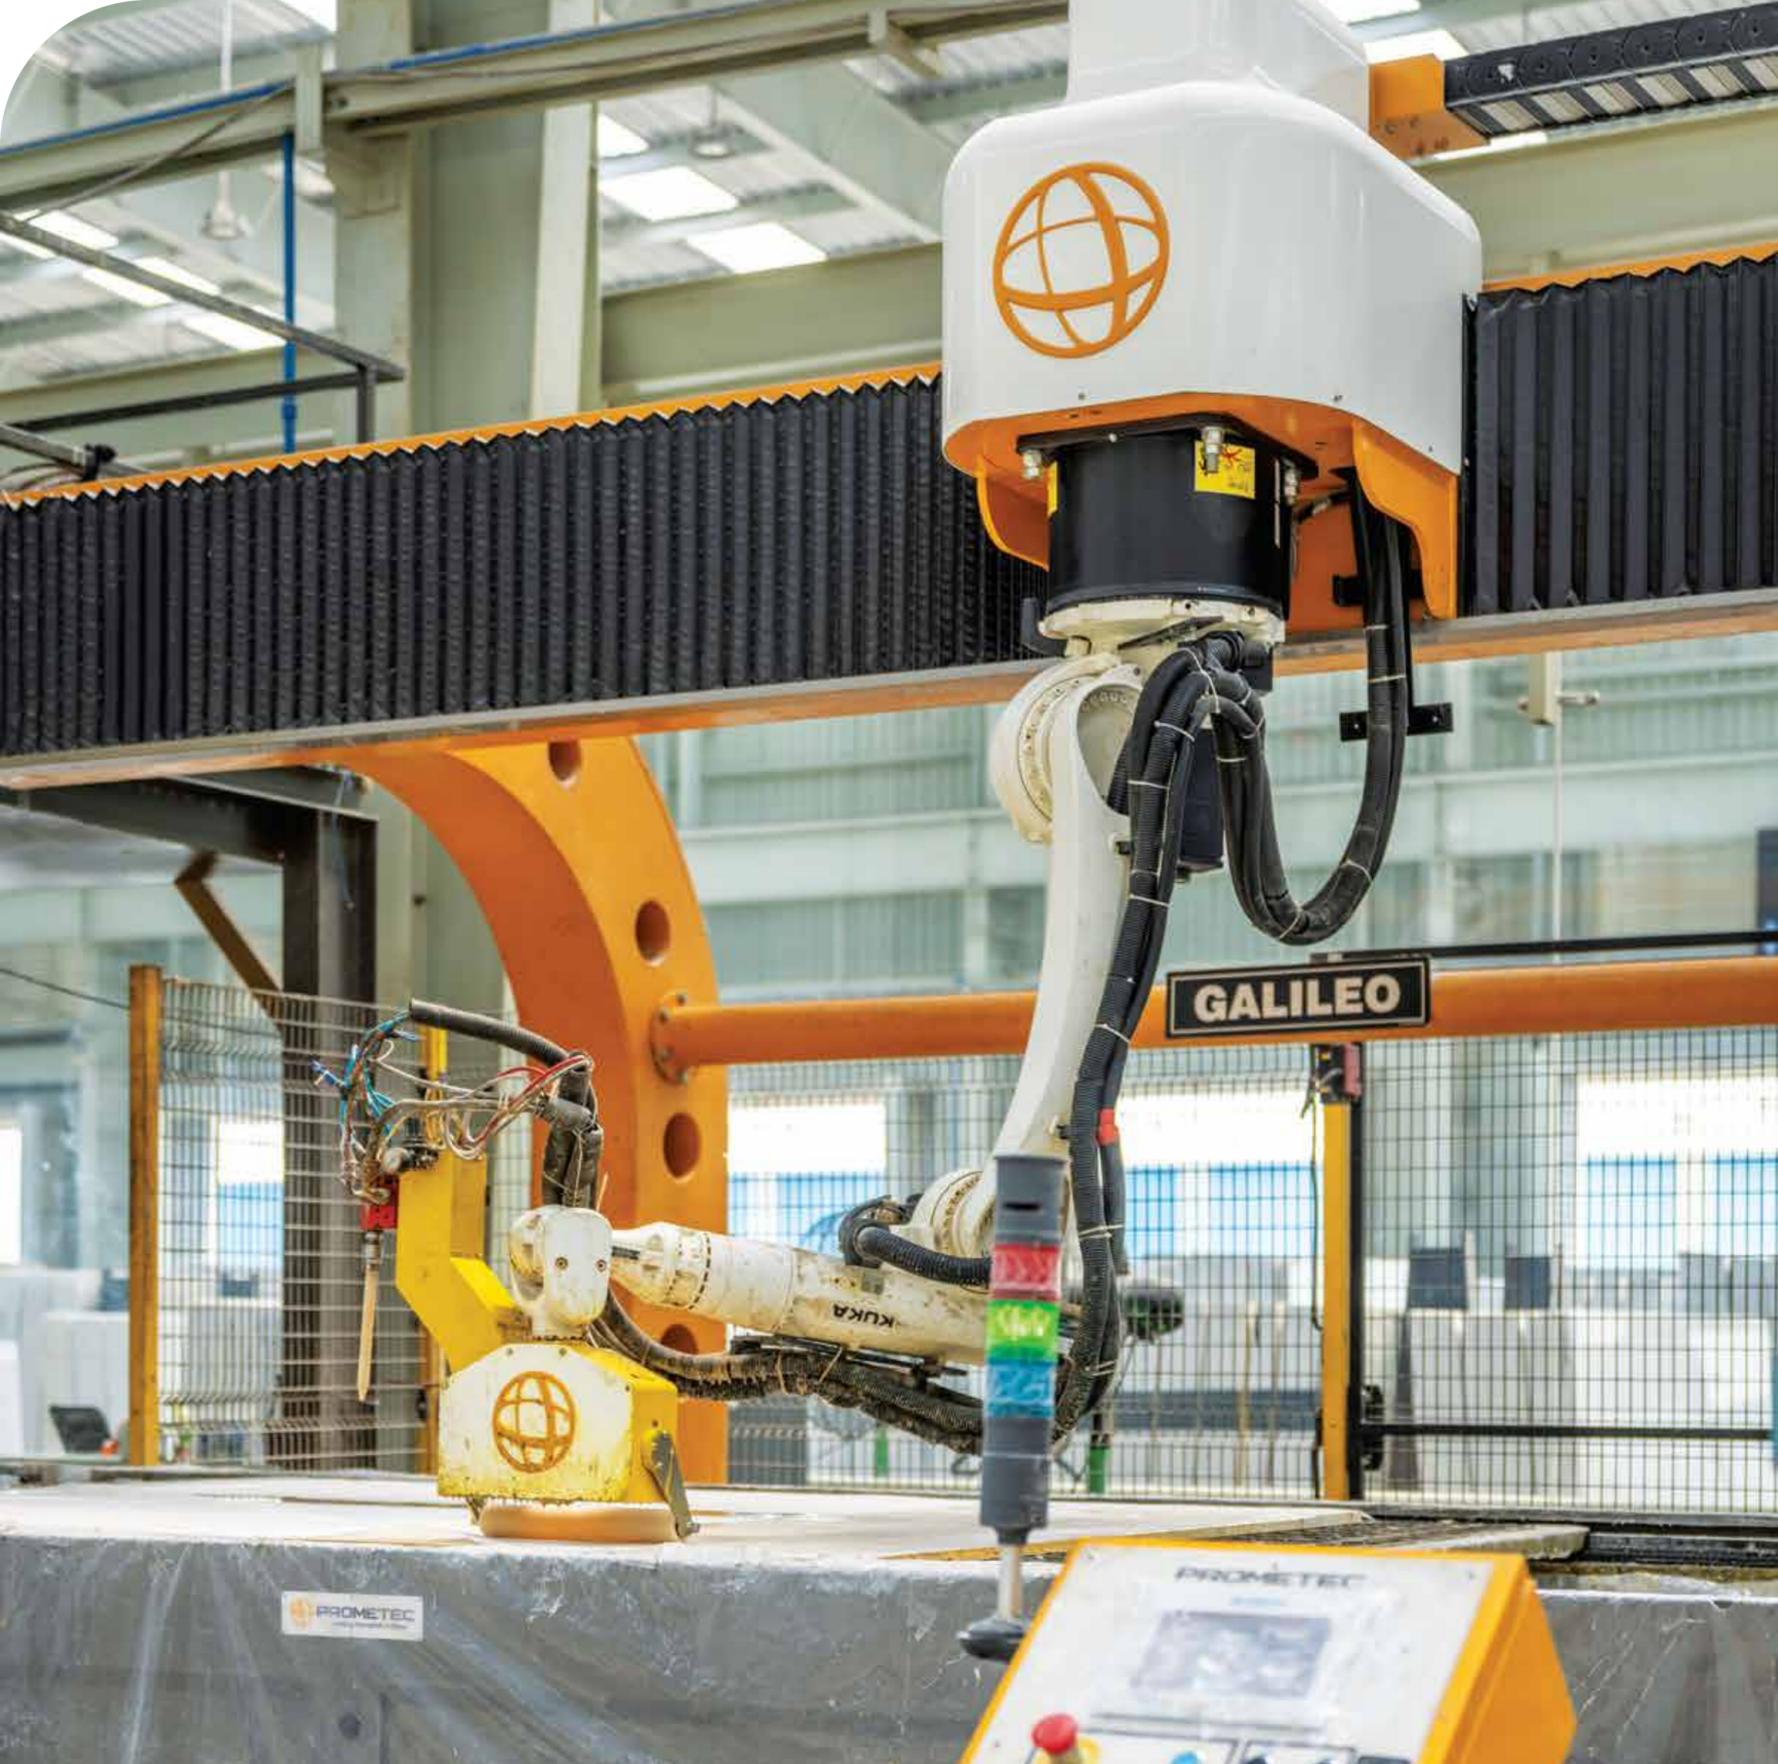

Krismar houses an impressive marketing unit, empowered by a passionate and professional management team. Their commitment ensures top-notch quality, turnover, and customer service. Guided by Mr. Vinay Babu's leadership, the team is strategically structured, upholding the highest standards in procurement, quality, sales, and customer service. Every member undergoes rigorous training to provide benchmarked services. Krismar stands as an equal opportunity enterprise, valuing employees' contributions by recognizing and rewarding their exceptional performances.

THE ROCK SOLID PILLARS »»

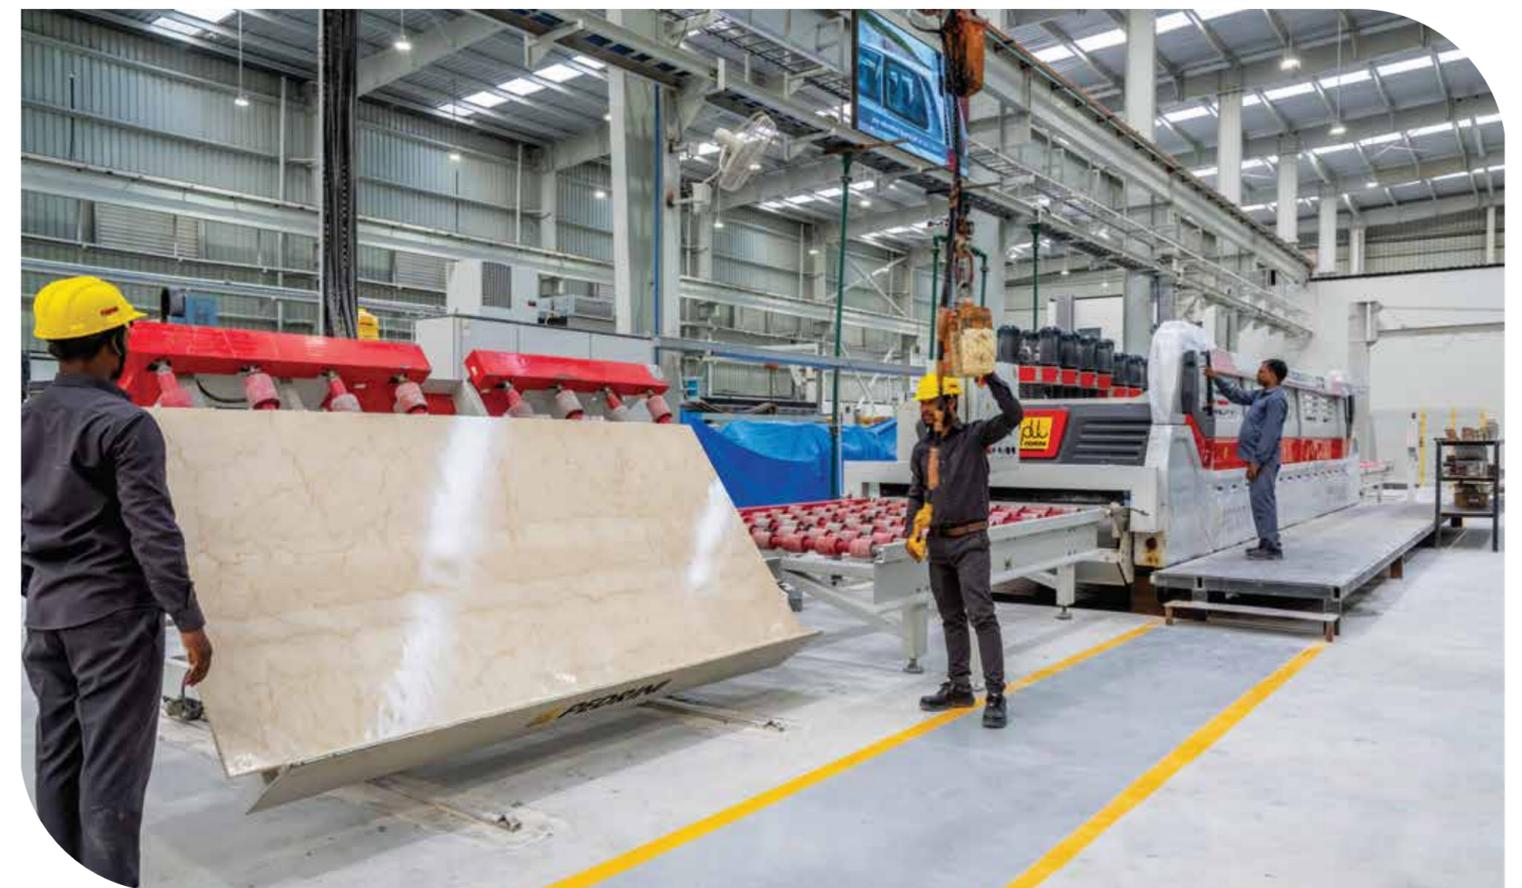

Our HR division understands Krismar's goals and recruits passionate individuals who share our vision. We nurture talent, recognize performance, and empower our team significantly to help you shine differently.

THE MAGIC BEHIND **THE SHINE** >>>

At Krismar, we stand out in the world of marble craftsmanship by radiating innovation through our cutting-edge technology and processes. We are among the select few globally and leaders nationally to embrace the remarkable Quest robotic technology, while harnessing the power of 5-axis and 6-axis machining in our pursuit of marble masterpieces.

QUEST ROBOTIC TECHNOLOGY: **PRECISION REDEFINED** >>>

The Quest process at Krismar is a testament to our commitment to create only the best. A pinnacle of modern engineering providing robotic unloading of slabs, use of original Italian epoxy for crack filling, and the Galileo robot for precise application. This leads to 100% effective crack filling and a 30% higher gloss level in polishing, ensuring each slab meets Krismar's standards of high quality.

CRAFTING
COMPLEXITY
WITH EASE >>>

5-Axis

Our perseverance to push boundaries continues with 5-axis machining, a game-changer in CNC technology. It brings unparalleled precision to stone crafting, enabling the creation of any shape, including 3D structures and intricate carvings. Be it statues, monolithic pieces, or anything. Specialized finishes like Flute or counter edge finishes, and other detailed profiles are effortlessly achieved, showcasing our technological prowess.

6 Axis Robot Wire

The 6-Axis Machines at Krismar can directly cut intricate 2D and 3D shapes from blocks, using diamond wire for significant raw material savings. This technology ensures efficient and precise cutting, reinforcing our commitment to innovation.

THE SYNERGY OF INNOVATION »»

When Quest robotic technology, 5 and 6-axis machining combines forces, the result is truly exceptional. Our marble products are celebrated for their intricate designs, flawless finishes, and unparalleled quality.

HERE'S WHY OUR TECHNOLOGY AND PROCESSES SHINE DIFFERENTLY:

Superior Quality:

The top functionality of Quest robotic technology is ensuring unparalleled quality. Each piece is meticulously machined and polished to perfection.

Greater Efficiency:

Our technology allows us to craft complex products swiftly and efficiently. We deliver your masterpieces with unprecedented speed.

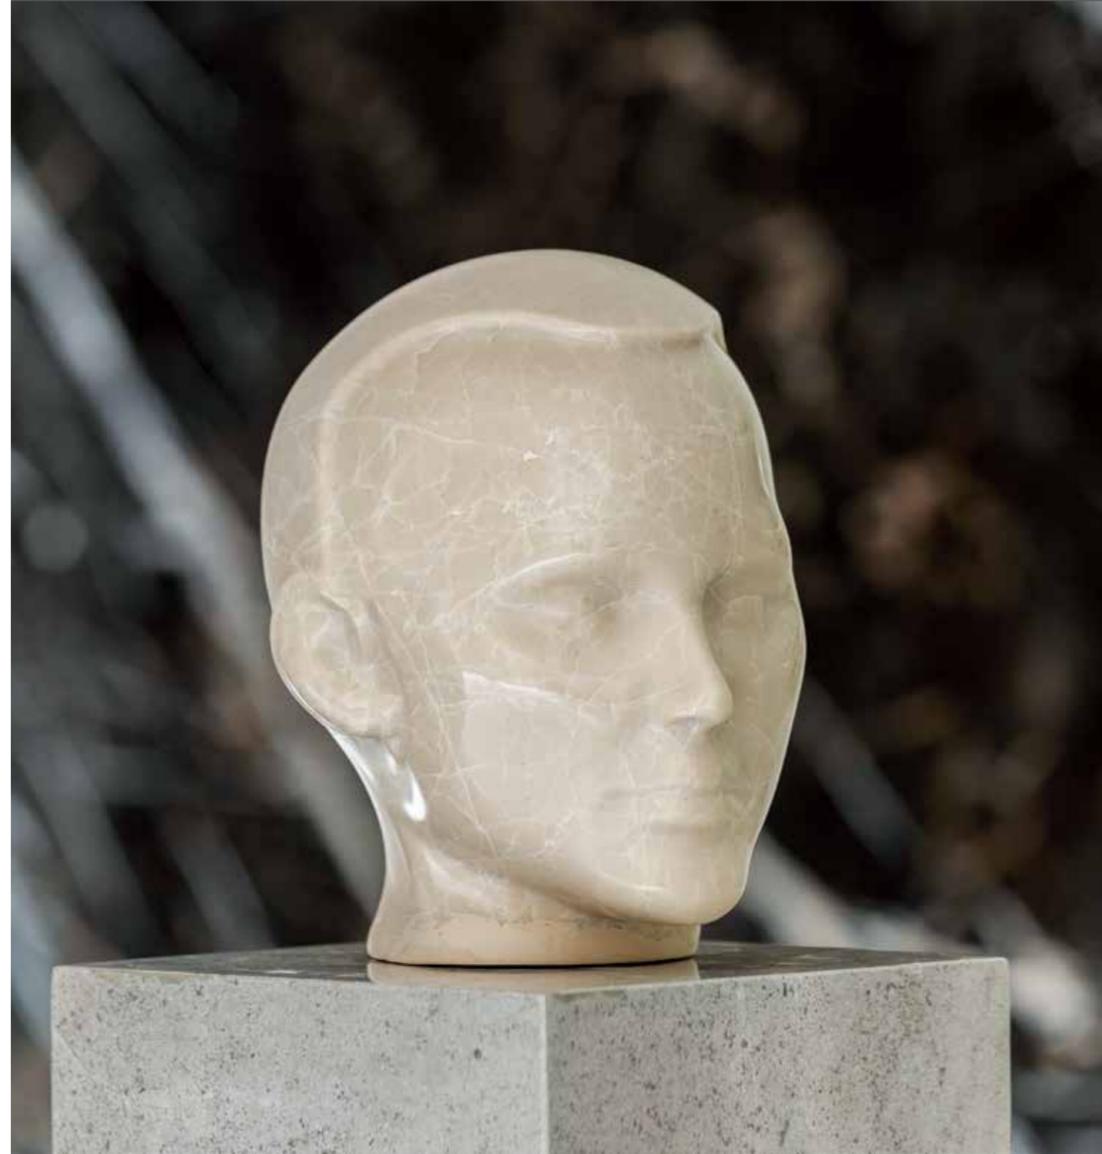

Limitless Customization:

The 5 and 6-axis machining unlock boundless possibilities. We can bring your unique visions to life, no matter how intricate or elaborate.

- Customized stone surface finishes.
- Supply of cut-to-size slabs for residential as well as prestigious professional projects.

SHAPING THE FUTURE, ONE STONE AT A TIME »»

At Krismar, we don't just source and sell stones; we sculpt them with precision, turning them into works of art. Our state-of-the-art technology and meticulous processes represent our dedication to shining differently in the industry. It's a promise of precision, and excellence that sets us apart, ensuring that each stone we offer exudes a unique brilliance that defines Krismar.

WHERE EVERY FINISH IS A NEW STORY

We pride ourselves on transforming raw beauty into refined masterpieces through our exquisite stone finishes. Every finish is a testament to our dedication to craftsmanship, innovation, and the pursuit of perfection.

MARBLE FINISHES:

Radiate Uniqueness

Polished Elegance:

Experience the allure of polished marble. The sleek surface not only enhances the natural patterns and colors but also reflects a sophisticated radiance. Each polished masterpiece from Krismar brings a touch of luxury to any space.

Honed Sophistication:

For the ones who appreciate subtlety, our honed finishes provide a soft, matte touch to the marble. It's an ideal choice for spaces where understated elegance takes center stage. Honed surfaces, showcasing the inherent beauty of the stone, exude a refined charm.

Aspirational Arecca:

Step into a realm where luxury stands distinctively with our leathered marble finishes. The textured surface adds depth and character, creating a tactile experience that's both opulent and inviting. Elevate your space with a touch of exclusivity.

GRANITE FINISHES:

Timeless Luxury

Flamed Grandeur:

Immerse yourself in the rugged yet majestic beauty of flamed granite. The intense heat applied to the surface brings out the stone's innate textures, creating a distinctive appearance. Flamed finishes by Krismar redefine luxury with a touch of the untamed.

Polished Brilliance:

Granite, known for its durability, shines in its polished avatar. The glossy finish not only highlights the natural grains and hues of the stone but also adds a layer of sophistication to your interiors. With Krismar, expect nothing less than perfection.

Brushed Harmony:

For a finish that marries elegance with a subtle texture, our brushed granite is the epitome of harmony. The surface, gently brushed to reveal its natural characteristics, offers a unique blend of sophistication and authenticity.

THE WORLD SHINES DIFFERENTLY WITH OUR EXPERTISE >>

Our shine isn't contained to a single continent. The trust of the entire world reflects of our excellence. In Every Landmark, Krismar Shines, from the Burj Khalifa to corporate offices, we transform spaces into masterpieces, like the current LDS Church project. BEYOND PROFITS, FOR A BETTER WORLD >>

Krismar's eco-friendly initiatives and responsible projects showcase our commitment to holistic growth. We believe in shining differently not just in business but in bettering society and the environment. With solar power and rainwater harvesting at our Experience Centre, even our contemporary facilities reflect our commitment to being eco-sensitive.

Our water recycling/treatment plant in Shoolagiri operates to conserve and reuse every drop of water to impact the environment lesser and lesser. Bringing the usage of water from 4,000 litres per minute, down to the actual total usage of only 5,000 litres per day.
